

2022 VOLUNTEER ADULT CONTACT (VAC) PROGRAM

Wisconsin State Fair strives to offer youth programs that create a safe, educational and memorable experience for participants. Recent program updates have focused on improving procedures that increase junior exhibitor safety and clarity of responsibility and preparedness of adults in supervisory roles. Current Wisconsin State Fair guidelines require approved volunteer adults in supervisory roles to be at least 21 years of age and to agree to have their criminal background records reviewed by Wisconsin State Fair. Additionally, volunteer adults agree to receive training (as available) in multiple child protection areas to better prepare them for an enjoyable and successful supervision experience.

Junior show exhibitors have two (2) options when participating at the Fair:

Option 1: GROUP Participation: The youth exhibitor wishes to participate as part of a group and agrees to be supervised by an approved Wisconsin State Fair Volunteer Adult Group Contact (VAGC). The group may be from a specific organization, geographic area, or any group of exhibitors the VAGC agrees to supervise.

Examples: Leaf County Exhibitors
BRT Exhibit – (exhibitors from Brush-Rhino-Twig Counties)
Prairie Pioneer exhibitors – (Jones, Smith, Washington and Lincoln families)
Spotted Leopard Show Team – (breed or other specific affiliation).

Option 2: INDEPENDENT Participation: The youth exhibitor chooses to participate as an individual/family and designates a Volunteer Adult Independent Contact (VAIC). The VAIC must agree to supervise said exhibitor/siblings and be approved by Wisconsin State Fair. Independent participation means the exhibitor will not be identified/affiliated or stalled with a specific group of exhibitors.

Junior exhibitors must declare their participation option at time of entry. Exhibitors selecting the group participation option must review the approved groups, get permission from the group's VAGC in advance and declare that group with their entry. After the late Junior entry deadline, exhibitors' names will be shared with the VAGC, who will confirm the exhibitors' acceptance or denial for group participation. Youth who are not accepted by a VAGC and exhibitors who do not select a group at time of entry will be considered independent exhibitors. They must designate a VAIC who will apply for approval and supervise them. There will be no other group/independent switching after entry.

Wisconsin State Fair Approved Volunteer Adult Contacts (VAC)

Volunteer Adult Group Contact (VAGC):

Group Leader Lead, coordinate and supervise Wisconsin State Fair Junior Show exhibitors in a group format (option 1 above). VAGCs must be age 21 and over and submit a completed Volunteer Adult Group Contact application by March 16, 2022.

VAGCs will be notified of their acceptance or denial as approvals are made. Approved VAGC names with contact information will be posted on the Wisconsin State Fair website in early April, allowing Junior exhibitors time to communicate (prior to making their entries) with the VAGC(s) they wish to exhibit with at the 2022 Wisconsin State Fair.

If an approved group has more than 10 junior show exhibitors (determined after the entry deadline), the VAGC must then identify a VAGC Group Assistant(s) to help supervise group exhibitors at a ratio of **1 adult to 10 junior show exhibitors**.

Example: 15 junior exhibitors are exhibiting within group animal exhibit "Blue River Dairy".
The exhibit will need 1 VAGC and 1 assistant VAGC.

VAGCs and the required number of group assistants should be present at Wisconsin State Fair at all times during the respective junior show.

Group Assistant All assistant VAGCs must be age 21 and over and submit the same completed application process as the VAGC (group leader) by June 30, 2022.

Volunteer Adult Independent Contact (VAIC): Lead, coordinate and supervise a Wisconsin State Fair Junior Show independent animal exhibitor (option 2 above). Junior exhibitors who choose to participate as independent must designate a Volunteer Adult Independent Contact (VAIC), age 21 and over, who must submit a completed Volunteer Adult Independent Contact application at time of entry (entry deadline May 25, 2022). The VAIC should be present at Wisconsin State Fair at all times during the respective junior show.

All applications for VACs (Volunteer Adult Group Contact Leaders and Assistants, and Volunteer Adult Independent Contacts) will be reviewed by Wisconsin State Fair management. Acceptance is based on the applicant's completed application, a criminal background record check, prior Wisconsin State Fair supervisory experience and/or reference checks.

Volunteer Adult Contact guidelines and responsibilities include:

1. Volunteer Adult Contacts (VACs) are responsible for assisting Wisconsin State Fair with year-round communication, exhibit coordination (pre-fair, fair, post-fair), group decision-making authority and onsite Fair supervision during Wisconsin State Fair for their respective junior show(s).
2. VACs cooperate with, support and accept guidance from Wisconsin State Fair management showcasing agriculture and youth programs at the Fair. VAGCs (group leaders and assistants) and VAICs are approved Wisconsin State Fair volunteers, but are not Wisconsin State Fair employees. Therefore, they are not covered by the Wisconsin State Fair Workers Compensation Policy.
3. All approved Volunteer Adult Contacts (VACs) may be required to complete online or in-person volunteer training. It is extremely important each VAC is aware of the procedures involved with supervising youth to protect themselves from risk/liability and unnecessary aggravation. We anticipate training to include identifying sexual harassment, hazing, bullying, first aid, event responder training, etc.
4. VACs must conduct themselves in a manner that is in the best interest of youth participants and Wisconsin State Fair. VACs may not use their volunteer authority or title for purposes of private or personal gain. VACs are expected to conduct themselves with courteous manners/language, exhibit good sportsmanship, serve as a positive role model, treat others with respect and demonstrate reasonable conflict resolution skills. In addition, VACs may not consume or be under the influence of alcohol or illegal substances while in this supervisory volunteer role at Wisconsin State Fair.
5. When transporting youth, VACs must operate motor vehicles and other equipment in a safe and reliable manner and only with a valid operator's license, legally required insurance and comply with all related state regulations and laws.
6. VACs must see that animals are treated in a humane manner and teach junior exhibitors to provide appropriate animal care and management for public exhibition.
7. All VACs are required to inform Wisconsin State Fair management of any policy/rule infractions or inappropriate behaviors if incidents occur (including but not limited to: poor attitudes, alcohol/drug possession or usage, vandalism, hazing, violence). *Failure to report any policy/rule infractions or inappropriate behaviors may lead Wisconsin State Fair and you (the VAC) to unwanted criticism and/or legal liabilities and challenges.*
8. Wisconsin State Fair Agriculture employees in the Junior Beef, Dairy, Goats, Poultry, Rabbits, Sheep and Swine Departments are **NOT** eligible to serve as a VAC during their active employment.
9. Tommy G. Thompson Youth Center – Youth Center lodging procedures are updated for 2022. Rooms during Junior sessions may only be occupied by approved VAGCs, VAICs and Junior exhibitors showing in the current show rotation. Wisconsin State Fair will send reservation forms directly to all approved VAGCs in late March, which are due by April 29, 2022. VAICs are eligible to rent a room if space permits; they will be notified if additional rooms are available. Additional information is available at [TGT Junior Summary.pdf \(wistatefair.com\)](#)
10. Wisconsin State Fair will no longer coordinate nightline. It is up to each individual Volunteer Adult Group Contact to coordinate any nightline duties for his/her group members.
