

**Wisconsin State Fair
AgSource Production Awards
640 S 84th St
West Allis WI 53214**

A special production award will be presented to the exhibitor of the cow with the highest current or completed 305-day, combined butterfat and protein production record in each of the six breed shows. Winners will be announced and awards presented during the Dairyland Youth Celebration.

Eligibility:

1. Exhibitors must furnish their DHI herd code number and animal's registration number on the Junior Dairy Show entry form.
2. Only SUPERVISED DHI RECORDS WILL BE ACCEPTED. Exhibitor must provide a DHI Individual Cow Report or DHI Monthly Production Report to the Superintendent for verification upon check-in.
3. Only 305-day (or less) records will be considered.
4. 3X (or more) records will not be converted to 2X.
5. The animal's placing within her respective class has no bearing on this award.
6. The animal with the highest actual (not mature equivalent) combined pounds of butterfat and protein will be named the winner.
7. If a tie should occur, the advantage will be given to the cow with the higher pounds of milk produced.
