

Wisconsin State Fair
ALLforONE
Goat Show

I am going to show a goat at Wisconsin State Fair.

My family will park and walk into the Fair.

We will walk to the Sheep & Goat Barn.

I will check in and receive my t-shirt.

At 6:15, I will go in the show ring and meet my mentor team.

My team will teach me about showing goats.

I will get the goat ready for the show.

I will practice walking with the goat.

At 6:55, we will walk the goat to the holding pens and wait for my turn to show.

When my name is called, I will walk the goat into the show ring with my team.

My team will help me walk the goat around the show ring for the judge to see.

The judge will ask me some questions about myself and what I learned about goats.

When the show is over, I will get a ribbon.

My friends and family will be so proud of me!

We will take a group picture after the show.

I will say goodbye to the goat and my new friends.
