

# Wisconsin State Fair **ALL**for**ONE** Swine Show

I am going to show a pig at Wisconsin State Fair.

My family will park and walk into the Fair.

We will walk to the Swine & Goat Barn.

I will check in and receive my t-shirt.

At 6:45, I will go in the show ring and meet my mentor team.

My team will teach me about showing pigs.

I will get the pig ready for the show.

I will practice walking with the pig.

At 7:25, we will walk the pig to the holding pens and wait for my turn to show.

When my name is called, I will walk the pig into the show ring with my team.

My team will help me walk the pig around the show ring for the judge to see.

The judge will ask me some questions about myself and what I learned about pigs.

When the show is over, I will get a ribbon.

My friends and family will be so proud of me!

We will take a group picture after the show.

I will say goodbye to the pig and my new friends.
