Admission: Livestock show exhibitors may purchase up to a maximum of 50 admission tickets per exhibitor. Each admission ticket can only be scanned once. If an exhibitor would like to exit and re-enter the Fair Park multiple times during the day, he or she MUST get his or her hand stamped at the admission gates. Admission tickets which get wet, sun-damaged, lost or stolen will not be replaced. No refunds are given for any unused Admission tickets. Admission fees do not include vehicle parking.

Vehicle Parking: No refunds are given for any unused vehicle parking.

- **Blue Ribbon Off-site Parking:** A **free** off-site Agriculture Exhibitor vehicle parking lot with easy access from I-94 is available. A free shuttle will be run continuously from noon, Tuesday, July 31st through the duration of the Fair. The shuttle will pick up/drop off near Gate 5. Trailers are not allowed to park in this lot (see trailer parking below).
- **Red Ribbon General Fair Park Parking:** General Fair Park parking valid for one vehicle admission per day (no in and out privileges). Available only upon arrival at any vehicle access gate (except Gate 5). The Red Ribbon parking pass cannot be upgraded to White Ribbon or Platinum status once purchased. Parking is not guaranteed. No overnight parking allowed. \$12 per day/vehicle
- **White Ribbon General Fair Park Parking:** General Fair Park parking with multiple in and out privileges per day. Available for purchase prior to or during the Fair through the Case IH Coliseum Entry Office for \$15 per day/vehicle. Each date parking pass will be valid only on the date printed on it. Parking is not guaranteed. White Ribbon parking cannot be upgraded to Platinum status once purchased. No overnight parking allowed.

Examples:

- Exhibitor Sally Smith has purchased three (3) White Ribbon parking passes one each for August 6th, 7th and 8th. On August 6th, she realizes she no longer needs the parking pass for August 8th. She cannot receive a refund for the August 8th parking pass but can

exchange it in the Case IH Coliseum Entry Office for a white ribbon parking pass for any of the remaining Fair days.

- Exhibitor Bill Smith purchased three (3) White Ribbon parking passes - one each for August 6th, August 7th, and August 8th. On August 8th, Bill realizes he did not use his August 6th pass and instead wants a parking pass for August 9th. Bill CANNOT exchange his unused August 6th pass or receive a refund since the parking pass expired. If Bill wants a White Ribbon parking pass for August 9th, he must purchase one for \$15 at the Case IH Coliseum Entry Office.

- **Platinum Parking:** A **limited** number of parking passes are available for parking in the Tommy G. Thompson Youth Center lot with in and out privileges for \$25 per day/vehicle. Overnight parking is allowed. Platinum parking passes are only available for purchase online prior to the Fair with entries.

3) **Trailer Parking:** A **free** Wisconsin State Fair off-site trailer parking lot will be available and assigned upon arrival. All trailers **MUST** be parked offsite. Exhibitors cannot sleep in their trailers overnight or keep any animals in trailers at the offsite lots.

4) **Animal Care and Exhibitor Safety:**

- All exhibitors are strongly encouraged to display positive animal welfare practices while at the Fair. Wisconsin State Fair management reserves the right to disqualify and/or remove exhibitors/entries deemed by Fair management not presenting positive animal welfare practices. Refer to the "General Rules and Regulations" section on www.wistatefair.com for statements about drug testing/unethical fitting and additional rules and information.
- Exhibitors are encouraged to decorate their stalling area to promote a positive image of agriculture. Stalls and animals must be kept accessible to the public while the barn is open or as designated by the Superintendent. All waste, feed, manure, and trash should be disposed of properly.
- Wisconsin State Fair will have limited amounts of feed and bedding for sale. Feed order forms can be found on www.wistatefair.com beginning in June. Advance orders are appreciated and can be mailed with entries, faxed (414.266.7057) or called (414.266.7052) into the Wisconsin State Fair Entry Office.
- All pets whether on a leash, carried or in a container, are not permitted on site during the Fair, unless the pet is part of a Fair event, e.g. K-9 Sports. Service animals are, of course, permitted.
- No animals other than those entered will be permitted in the barn (unless newborn young).
- Due to animal wellness and safety concerns all horses are restricted to the designated Double Deck Barn or show ring areas. The exception to this rule is for exercising animals (in hand only) in the morning prior to the Fairgrounds opening to the public. Animals are restricted to the streets directly around the Double Deck Barn and across 5th Street. Animals found outside of the designated area will be immediately disqualified. The Department Superintendent has the discretion to approve special circumstances.
- **Animal Health Requirements:** Individual negative EIA papers must be presented upon arrival to the Wisconsin State Fair animal health inspector.
- **Animal Treatment:** While on the Wisconsin State Fair Park grounds, the Wisconsin State Fair On-site Veterinarian must administer all medication. The On-site Veterinarian will inspect, treat, and record all information on an official 3-ply Treatment Record Form. There will be no charge for the Wisconsin State Fair Veterinarian to treat an animal. Only medication costs will be charged to exhibitors. The Animal Treatment Tent and On-site Veterinarian trailer is located on 5th Street north of the Double Deck Barn. This is the only area to be used to administer treatments (oral, IM, IV, subcutaneous). Exhibitors who violate the authorized treatment protocol may be disqualified.
- For public safety and liability reasons exhibitors may not use space in or around their exhibits to conduct any type of direct contact/petting or photo opportunities geared toward Fairgoers/public.
- No animals are allowed at the designated Wisconsin State Fair off-site parking lots.
- Animals deemed uncontrollable and unsafe to exhibit will be dismissed from the show ring and/or Wisconsin State Fair grounds. The three-strike rule is in effect if an animal gets away a total of three times in the show ring. Show Management retains the right to warn the exhibitor and dismiss any animal deemed unsafe or uncontrollable at any time. No prize money will be awarded if an animal is dismissed.

- 5) **Equipment:**
- **Fans:** The use of one fan no larger than 24” in diameter is allowed per animal. No other air movement device is allowed. Fans must be hung from the front wall, on either side of the animal. All fans must conform to the manufacturer’s recommendations and Wisconsin State Fair safety regulations.
 - **Generators:** The use of portable power sources is permitted during show hours only. Generators must be kept outside the barns. When not in use generators must be kept in designated locations on the Fairgrounds.
 - **Extension Cords:** All cords must meet Wisconsin State Fair and manufacturer’s recommendations for safety. No cords are permitted to be in the aisles or in public areas (both above and on the surface) without being properly secured. Wisconsin State Fair Management retains the authority to determine what is acceptable.
 - **Tack:** Show boxes, feed, bedding, and other show equipment which is used for the care of livestock must be kept neatly in the designated area and out of the public aisles. It is important to keep all livestock and livestock housing areas orderly and safe to demonstrate a positive image of animal agriculture to the public.
 - **Gas/Diesel/Propane Storage Containers:** Containers holding hazardous/flammable materials must be kept in the designated area north of the barns.
- 6) **Class Eligibility:** All draft horses must show the breeding characteristics and confirmation of the appropriate breed. The Superintendent or designee reserves the right to review all entries, reject entries or exhibits not sufficiently fitted to be a credit to the breed represented.
- **Brood mare:** mare which raised a foal during the current year. Exhibitors may be required to produce evidence the mare has complied with this requisite if requested by the judge, Show Management, or a Breed Association Representative.
 - **Yeld mare:** mare which has not raised a foal during the current year. A mare which gave birth to a dead foal or a foal which died within 30 days of birth is classified as a yeld mare.
 - **Donor mare:** the donor of an embryo transfer offspring may show in either her correct age class or the yeld mare class. A donor mare and her embryo transfer foal may show in the mare and foal class.
 - A horse may only be driven once in either the Men’s, Ladies or Registered Mare cart class. This same horse may, however, be used in the Youth cart class.
 - **Champion Classes:** Only first and second place winners in the respective classes are eligible to compete for champion and reserve champion awards. All first-place animals are required to show in champion classes unless excused by the Superintendent.
 - **Group Classes:** Exhibitors may only exhibit one entry in each group class. Prize money will be paid in group classes through 4th place. Group class horses must have been shown in the individual halter class, and owned by the individual exhibitor/entity, or may be recorded in separate names of one immediate family exhibiting them (exception “Get of Sire” and “Produce of Dam” classes). Registered geldings are eligible provided they have been shown in the gelding halter classes. Members of one family will be allowed to exhibit their animals together in group and hitch classes as one exhibitor provided the horses are stabled and cared for as one herd on a permanent basis.
 - **Youth Classes:** Youth classes are open to youth 10 to 17 years of age as of January 1st of the current year unless otherwise listed. Additional youth class rules are as follows:
 - Youth Cart Class: The name of the youth driver must be listed on the entry form. An adult must accompany youth drivers. The class is judged on driving ability only.
 - Youth Team Class: The name of the youth driver must be listed on the entry form. An adult must accompany youth drivers. The class is judged on driving ability only.
 - Youth Showmanship: The name of the youth exhibitor must be listed on the entry form. The class is judged on the youth’s ability to exhibit the horse at halter.
 - Junior Showmanship: youth 10 – 14 years
 - Senior Showmanship: youth 15 – 17 years
 - Youth Decorating Class: The Wisconsin Draft Horse Breeders Association will offer this class. To enter youth must sign up in the Superintendent’s office by 6 pm on

Wednesday, August 1st (Rotation 1) or August 8th (Rotation 2). The time and location of the class will be available at sign up. Youth must furnish their own horse, holder, equipment, and decorations. The class will be judged on tightness of mane roll, tail, and foretop completed in 30 minutes and the overall appearance of horse. Wisconsin State Fair will provide ribbons for the Youth Decorating classes.

- **Overall Youth Award:** The Wisconsin Draft Horse Breeders Association will offer an overall youth award for each breed (Clydesdale, Belgian, Percheron) to the youth who accumulates the most points (assigned based on placings) in the following youth classes: Showmanship, Cart, Team, Showmanship, and Youth Decorating. Youth who exhibit in more than one breed can participate in the youth classes but are only eligible to win the Overall Youth Award in one breed per year.

Halter:

- Halter classes are only offered for the Clydesdale, Percheron and Belgian breeds and will be shown within their own breed divisions. Note: Halter classes may be combined or split by show management if there are less/more than 5 entries per class.
- All animals must be entered and exhibited under the recorded ownership name, co-owners' names or lease agreement as of the show entry deadline date and registered through the respective national breed association. The lessee must exhibit leased horses. A breed Association registration certificate will be checked by Wisconsin State Fair Management or an authorized breed association representative. Faxes, emails, and/or photo copies of registration papers from national breed associations are accepted.
- All animals are subject to a permanent identification and age inspection by representatives of the breed association, Wisconsin State Fair Veterinarian, or Wisconsin State Fair Management. Questionable age verification will be determined by Wisconsin State Fair Management and that decision is final

Hitch:

- Clydesdale hitches will show as a separate breed during the first rotation. Belgian, Percheron, Shire and Spotted Draft hitches will compete together in cart/hitch classes.
- All hitch classes must be officially entered by the exhibitor during Superintendent check-ins. Exhibitors do not need to own the horses which are shown in an entered hitch class. The placing recorded and prize money will only be recognized as the exhibitor who entered the class.
- Cart: A horse may only be driven once in either the Men's, Ladies or Registered Mare cart class. This same horse may, however, be used in the Youth cart class.
- Registered Mare Hitches: Only registered mares can be shown in the Mare cart, Mare Team, Mare Unicorn, Mare 4 Horse, or Mare 6 Horse hitch classes.
- Open Hitches: Open to grade or registered stallions, mares, and geldings/(Open Unicorn, Open 4 Horse, or Open 6 Horse). Registered mares are eligible to be shown in the Registered Mare or the Open hitch classes but are only eligible to be shown in one of the same hitch size classes. Ex. If a registered mare shows in the Open Unicorn hitch class, it cannot be shown in the Registered Mare Unicorn hitch class).
- Elite 4 Horse Hitch: All Open or Registered Mare 4 Horse Hitches which place in their hitch classes are eligible.
- Elite 6 Horse Hitch Classic Series: All Open or Registered Mare 6 Horse Hitches which place in their hitch classes are eligible.

8) **Show Ring:**

- It is the exhibitor's responsibility to have entries ready to enter the show ring when show management calls for the class to enter the ring. Show management will determine the deadline for late arrivals. Classes will not be re-run for any animals missing a class. If an animal misses a class, the animal cannot be put in another class to be judged.
- Attendants must wear the assigned exhibitor number and be properly dressed upon entering the show ring. Violation will result in exhibitor being excused from the class.
- After a reasonable length of time has elapsed the gate will be closed and no more entries will be permitted to enter the ring.
