Forms received after that time will not be considered

Clipping and grooming of exhibits while on the Fairgrounds is to be done only by the exhibitor, his or her immediate family, (which includes mother, stepmother, father, stepfather, siblings, stepsiblings or legal guardian with proof of relationship), and/or other participating Wisconsin State Fair junior exhibitors. Non-owned animals cannot be fitted by the owner unless the owner is a junior or related to the exhibitor as stated previously (mother, stepmother, father, stepfather, siblings, stepsiblings or legal guardian with proof of relationship).

Special consideration to the fitting rule may be granted to other family members in situations where none of the immediate family have project involvement/experience. To request special consideration this form must be submitted at the time of entry. Waivers will be reviewed on an individual basis by Wisconsin State Fair management, who reserves the right to further review situations with outside sources. Requests will be approved or denied by email or written response by June 15th. Failure to comply with this rule will result in animal disqualification, immediate exhibitor disqualification, and possible future exhibitor disqualification.
