Greetings!

Planning for the 160th Wisconsin State Fair is underway and, as always, there will be many highlights as part of one of our state's grandest traditions. Of course, it is our hope that you, the exhibitor, chooses to participate. You are one of the reasons hundreds of thousands of Fairgoers make their annual trip to the Fair!

The 11-days of the Fair are a time to come together as a community, rural or urban, because Wisconsin State Fair is a place where all meet to celebrate everything Wisconsin has to offer. Exhibitors are the heart and soul of the Fair, and it is because of your hard work, talent and passion, the exhibitions are so spectacular.

Please join us for the 11-day celebration of diversity, food, family fun, extensive entertainment and quality exhibits.

I look forward to seeing you and your family at this year's Wisconsin State Fair, presented by U.S. Cellular, August 4 – 14th!

Sincerely,

A handwritten signature in black ink, appearing to read "S. Walker".

## GENERAL RULES AND REGULATIONS

### HORTICULTURE

The Wisconsin State Fair management reserves the final and absolute right to interpret these rules and regulations and to arbitrarily settle and determine all matters, questions or differences in regard thereto, or otherwise arising out of, connected with, or incident to the Wisconsin State Fair. It further reserves the right to determine unforeseen matters not covered by these rules, to amend or add to these rules as they, in their judgement, may deem advisable.

All exhibitors are expected to conform with the Wisconsin State Fair Rules and Regulations. Any person who violates any of the following or special rules will forfeit all privileges and premiums and be subject to such penalty as the management may order (failure to comply may result in award(s) and premium(s) forfeiture; and dismissal from the fairgrounds, and being barred from competition immediately in the department in which the violation occurred and from all departments entered; and/or in future competition in the Wisconsin State Fair). In the event of conflict between the general rules and the special rules governing the various departments, the special rules will govern.

The following due process will be used in the questions of a rule violation: The exhibitor and/or parties involved will be questioned by the Department Superintendent. If it is felt that a violation has occurred, the Department Superintendent will make a ruling. The ruling of the Department Superintendent will be final.

### ADMINISTRATIVE OFFICES

Any correspondence should be addressed to: Wisconsin State Fair Park, 640 S 84 St, West Allis, WI 53214.

### ADMISSION TICKETS

See entry blank to order tickets.

### ENTRY QUESTIONS

For information and questions, please call the Entry Office at 414/266-7052.

### ENTRY REQUIREMENTS

Application for entries in all departments must be made on the printed entry blank and must be in full compliance with the printed instructions on same.

**THERE ARE NO REFUNDS OF ENTRY FEES OR LATE FEES.**

Entries will be disqualified if not entered under the name of the person who made the article. All entries must be made by the exhibitor unless otherwise stated in the premium list. Violation of this rule will forfeit any premium awarded to such exhibitor in all departments at the Fair.

The Wisconsin State Fair management reserves the right at any time to refuse entries or articles entered.

Entry deadlines are specified under each department's rules.

Exhibits that have been erroneously entered in a division, and/or do not meet the specifications of the class can be transferred to a proper class or disqualified by the superintendent prior to judging. If such classes already have been judged, they shall not be reopened.

No employee of the Wisconsin State Fair, or member of his/her immediate family shall be allowed to exhibit in the department in which he/she is employed.

Any exhibitors' check(s) returned from a financial institution for any reason will be charged a \$20.00 service fee.

NOTE: Entry blanks will be returned if not filled out completely

## EXHIBIT RELEASE

Exhibits will be released according to each department's regulations.

The Fair Director or his/her designee may change the time of release in any department at his/her discretion.

Competitive exhibits which have not been claimed by exhibitors by the Monday after the Fair will be disposed of by management as they see fit.

## JUDGING OF EXHIBITS

Judges have been carefully selected. All exhibitors submitting entry/entries for the Fair accept these judges and agree to abide by their decisions.

The judging schedule is printed at the beginning of each department.

The decision of the judge will be final in all cases.

If any exhibitor attempts to interfere with the judge in any manner, the exhibitor shall forfeit all premiums awarded and will be excluded from further competition.

Unworthy entries will not be placed by the judge.

Judges will not be permitted to show in division they are judging.

## PREMIUMS AND AWARDS

Premiums will be mailed around September 1.

In paying premiums no evidence of awards will be recognized except the signed Judging Sheets as ribbons frequently become misplaced.

All premium discrepancies must be mailed to Wisconsin State Fair no later than **October 1, 2011!** All exhibitors should contact the Wisconsin State Fair in writing at 640 S 84 St, West Allis, WI 53214. Please include your exhibitor number, Dept., division, class and explain the discrepancy.

All checks are void one (1) year after they are issued. Any checks not cashed causes automatic forfeit of premiums won.

## PROTESTS

1. All protests must be made in writing, signed by party or parties making the protest and filed with the Program Coordinator. All protests must be accompanied by a \$50.00 protest fee which will be retained by the Wisconsin State Fair if the protest is not sustained.

2. Protests against the exhibition of articles or person entering must be filed at least 12 hours before the awards are made. The exhibitor will then be disqualified from entering the Wisconsin State Fair for the following two years if they violate any general or specials rules which govern the exhibits.

3. Protest against awards must be filed with the superintendent within 5 hours after the award has been made. An award is deemed to have been made when the notation of the decision is entered on the official judging sheets. The protest must state plainly and specifically the facts upon which the complaint or appeal is based. The right to appeal will lie when it is charged the award has been made in violation of the rules governing the exhibit. No protest or appeal based upon the statement the judge or judges are incompetent or have overlooked an article will be considered.

4. All protests will be considered at a time set by the Program Coordinator. Parties involved and if necessary, persons as designated by the Program Coordinator will be notified and given the opportunity to submit evidence before a final decision is made. All decisions are final and not subject to appeal.

## LIABILITY

The Wisconsin State Fair will take reasonable precaution to protect the safety of the exhibits sent to the Fair, but owners themselves take the risk of exhibiting them, and should any exhibitor or portion thereof be injured, damaged, lost or stolen, State Fair Park personnel will give assistance toward recovery of the same, but will not be liable or make any payment for the value thereof.

Neither the State of Wisconsin, State Fair Park, or its employees or agents shall be liable for any loss to an exhibitor occasioned by fire, accident, condition of structure, or damage caused by weather to any exhibit, article, equipment or commercial exhibit left in the building or on the grounds after the close of the Fair.

Exhibitors and/or machinery, while stationary or in motion, and any other exhibits or equipment which may cause accidents, injury or damage to persons or property coming in contact with or in proximity to them, shall guard their exhibits or machinery, and protect the public from coming in contact therewith at all times while on the Fairgrounds, and every such exhibitor or owner shall indemnify the State of Wisconsin, the Fair Park Board, and its agents and employees from and against claims and demands, costs, charges and expenses which it or they might incur, suffer or be put to by reason of failure to take the precaution above referred to or failure to comply with State Fair Park rules, policies or directives. Liability insurance to comply with indemnity provisions is required. Presentation of an exhibitors receipt shall be deemed acceptance of this provision.
