Wisconsin State Fair Junior Dairy Goat Show is an official single sanctioned restricted show of the American Dairy Goat Association, Shirley Mackenzie, Executive Secretary, PO Box 865, Spindale, North Carolina 28160. All ADGA rules will apply. The junior and senior shows are not separately sanctioned. The show order is subject to change.

Junior dairy goat exhibitors may enter and show **up to four (4) dairy goats** in the junior dairy goat show. Exhibitors *MAY NOT ENTER* more animals than the total allowed to show.

Animal Registration

An ADGA issued registration certificate, or a stamped duplicate for animals under six months of age, must be submitted to Fair management at check-in. Entries not properly registered, entered or checked in will not be allowed to show. ADGA's rules will apply.

Non-State Fair Animal Show Waiver: It is intended that all animals are housed in Wisconsin and under the daily care and supervision of the exhibitor from the time of entry deadline (breeding stock) through the end of the Junior Show rotation at Wisconsin State Fair. During that time, the animal(s) entered may only be shown by the exhibitor, immediate family (brother, step-brother, sister, step-sister, mother, step-mother, father, step-father, or legal guardian – with proof of relationship) or family farm, ***unless a Non-State Fair Animal Show Waiver has been obtained in advance.***

If a junior show exhibitor anticipates that someone other than the exhibitor, immediate family member or family farm may show a project animal after the junior has entered Wisconsin State Fair, a waiver request must be completed by the entry deadline. *Failure to obtain a waiver in advance of the animal being shown by anyone other than those listed above may result in the animal being disqualified from Wisconsin State Fair participation and any awards, ribbons and prize money being forfeited.*

Waiver requests may be found at wistatefair.com/competitions/junior-livestock/. All waiver requests will be considered on an individual basis by Wisconsin State Fair management who reserves the right to further review situations with outside sources. Requests will be approved or denied by June 15th.

Waiver requests must be made by emailing the waiver request form to entryoffice@wistatefair.com by May 22, 2024.

Fitting: Goats showing evidence of having their natural hair color altered (on the body proper) will be disqualified.

Pens: Exhibitors will be assigned pens prior to arrival but it is in Fair management's discretion to reallocate pens due to space limitations and the number of animals entered and actually brought to the show. Pen dimensions in the Sheep Barn are 5' x 7' x 46" tall; pens in the Swine Barn are 6' x 8' x 42". Exhibitors are encouraged to bring pen dividers as needed. Borders inside or around animal or tack pens are allowed but cannot exceed the height of the pen. Material must be “see through” and may not restrict air flow. Mesh products must have a minimum ¼” opening. Groups must work together in the space allotted. Tents of any kind are not allowed in the barn. EZ-Up type shelters may be used outside the barn solely for milking purposes and must be removed upon completion of milking.

Bedding: Exhibitors are responsible for the daily removal of used bedding and manure from the barn. All used bedding and manure must be removed by 7 am and taken to the manure pit located on the southwest corner of the barn. Wheelbarrows will be provided. Please return wheelbarrows to the wash rack area as soon as you are finished.

Open Show: Junior Exhibitors may enter the same breeding animal in both the Open and Junior Shows. Open and Junior Shows must be entered and paid by the respective entry deadlines.

Exhibitors are expected to work safely in the barn. No standing on top of pens or other dangerous behavior is allowed.

SHOWRING EXPECTATIONS

1. Animals deemed uncontrollable and unsafe to exhibit will be dismissed from the showing and/or Wisconsin State Fair grounds. Show management retains the right to warn the exhibitor and dismiss any animal deemed unsafe or uncontrollable at any time. No prize money will be awarded if an animal is dismissed.
2. It is the exhibitor's responsibility to have entries ready to enter the showing when show management calls for the class to enter the ring. Animals must enter the show ring when the class is called. The judge, ring steward or show management has the right to determine the deadline for late arrivals and close the class. Any exhibitor who misses his/her class is not a contender for the prize money offered. Classes will not be re-run for any animals missing a class. If an animal misses a class, the animal cannot be put in another class to be judged.
3. Exhibitors are required to wear an official harness or clip to display the assigned (5"x 7") exhibitor number when in the ring. Exhibitors must wear the correct exhibitor number to have their animal considered for placement by a judge. Violators will not be permitted to enter the ring.
4. All exhibitors must be properly dressed while in the show ring. No firm, farm or name identification shall be carried, worn or displayed on the exhibitor or animal while in the makeup area or the show ring. Fair management may remove the exhibitor/animal from these areas until compliance is met.
5. Judges have been carefully selected. All exhibitors making entry for the Fair accept these judges and agree to abide by their decisions. It is prohibited for exhibitors to contact or attempt to contact a judge pertaining to judging of classes after the judge has accepted the assignment of judging at the Wisconsin State Fair. No exhibitor should socialize, fraternize, or visit with a judge during the show(s). If any exhibitor, exhibitor's family member, employee, or adult facilitator attempts to interfere with the judge in any manner, the exhibitor shall forfeit all prize money awarded and may be excluded from

- further competition. The decision of the judge will be final in all cases. Judges will not be permitted to show in classes they are judging. Wisconsin State Fair reserves the right to change judges at any time.
6. The decision of the judge will be final in all cases except where mistake, fraud, misrepresentation, or collusion not discovered at the time of the award is proven. The Agriculture Director reserves the right to consult with the Wisconsin State Fair Agriculture Committee on any or all cases.
 7. Each animal shall be exhibited to the entire satisfaction of the judges. After a class has started no animal(s) shall be permitted to leave the ring before the entire class has been judged/placed without the approval of the judge. Upon final placing, exhibitors are requested to remain in position in line or parade while the judge is giving his/her reasons. Any violation of this rule will cause forfeiture of all prize money won by the exhibitor.
 8. Regardless of the number of exhibitors competing in a class, the judge may recommend any placing at his or her discretion. Judges will not place unworthy entries.
 9. Should a first placed entry be disqualified after winning its class, but before its respective division championship, the second and third place animals will move up to first and second in the class and compete for champion in the division. If a second-place animal is disqualified, the third-place animal will move up. Should a division animal champion be disqualified after winning its division but before selection of Grand Champion, the reserve division champion will move up to champion and compete for Grand Championship. In this case, no attempt will be made to replace the division reserve champion. If a division reserve champion animal is disqualified, no shifting upward will occur and no attempt to replace the reserve champion will be made.
 10. **Junior Exhibitors must show the animals they entered** unless the Superintendent has granted prior approval. Approval may be considered for the following reasons: multiple animals in the same class, multiple animals in the show ring at the same time in different species, serious injury, or hardship. An exhibitor substitution form to request approval for another active (checked in and actively showing within the department) Wisconsin State Fair junior exhibitor to show the exhibition animal may be obtained from the Superintendent's office and must be submitted to the department Superintendent by 7 pm the day prior to the start of the show.
 11. **Junior Exhibitor Conduct:** Wisconsin State Fair management has the authority without liability or recourse to Wisconsin State Fair Park Board to bar any exhibitor or his/her representatives in the event of a discourteous act to a judge or an official of the Fair and will have the power to disqualify the entry/entries of said exhibitor. In the event of such disqualification, the exhibitor forfeits all fees paid as well as any prize money and awards won.
