Requirements are subject to change as conditions warrant. For current information, check datcp.wi.gov/Pages/Programs_Services/FairsShowsSheepGoats.aspx

Goats must be healthy, free of symptoms or evidence of infectious or transmissible disease such as, but not limited to: internal and/or external parasites, ringworm lesions, pinkeye, or abscesses in any stage. All goats must be free of scabies, lice, foot-rot, sore mouth and must have not been exposed to scrapie. Scrapie tags, tattoos and registration numbers must identify all goats.

Boer Goat Specific Rules

1. This show is sanctioned by the American Boer Goat Association.
2. Bucks must be washed daily and kept as odor free as possible. If a buck is deemed to be an odor problem and/or to be a hazard by the superintendent, the buck will be removed from Fair Park.
3. Exhibitors are requested to have pens cleaned by 7 am.
4. The use of feed dispensers for Fairgoers to feed goats is strictly prohibited.
5. **Eligibility:** All goats must be registered in the herd book of a recognized association (ABGA, International Boer Goat Association, USBGA and the Canadian Boer Goat Association). Original registration certificates are required, though a copy of a registration application, stamped with the date received by one of the listed associations, can be accepted for kids less than 3 months of age. Throughout the ABGA and JABGA show rules, the term exhibitor is defined as the owner of the animal listed in the ABGA registry shown on entry deadline. All goats must be appropriately identified and comply with USDA Scrapie Eradication Program Guidelines. Call 1.866.USDATAG (873.2824) or visit the following website for more information: aphis.usda.gov/aphis/ourfocus/animalhealth/sa_animal_disease_information/sheep-goat/scrapie
6. **Divisions:** All goats must be registered purebred/fullblood or percentage Boer. Divisions are per the chart below. Bucks 96.86% and lower are not eligible to be shown. Division Champions and Reserve Champions will be chosen from the first and second place entries in each division.
7. **Ennobled Herd Book Points:** Only goats entered under their ABGA registration number and presenting their ABGA certificate of registration will be eligible to earn points for their actual placing in the show as described in the ABGA "Criteria for Ennoblement of a Boer Goat."
8. **Identification:** All goats must have legible tattoos or other means of permanent identification consistent with its registration certificate or the animal will be disqualified. Winners from each class must have their tattoos read and recorded. The judge will be responsible for ensuring the tattoos are read and properly recorded. The show secretary will be responsible for recording the tattoos and informing the judge as to which goats need to be checked. If the animal has a microchip as its permanent identification, the exhibitor is responsible for providing a microchip reader.
9. Show classes are by the birthdate listed on the registration certificate. Progeny of fresh does will NOT be allowed in the ring. At the discretion of the judge and/or the superintendent, goats may be let loose in the ring as a function of judging. Use of costumes and/or apparel is not permitted during an ABGA open sanctioned show.
10. Goats must wear a collar while in the show ring.
11. Horned and disbudded goats can compete together without prejudice.
12. Does in milk competing for championship honors may be required to be milked out in the show ring at the discretion of the Judge.
13. Open Boer Goats will be stalled and shown in the Sheep & Goat Barn. Boer goats entered only in the Open Boer Goat show will not be stalled with Junior Division Boer Goats and must leave the barn when released on August 1st.

All open show exhibitors are eligible to win this prestigious award, which will be selected by members of the State Fair Park Board, staff, and/or other Fair VIPs. Chairman’s Award Recipients will receive recognition during the 2024 Fair and will receive complimentary admission and entry fees equal to their current year’s fees for the following Wisconsin State Fair. EXHIBITOR RULES AND REGULATIONS

ANIMAL CARE and EXHIBITOR SAFETY

1. All exhibits receive the best care and protection the surroundings will afford, but they are always subject to the owner’s risk. All exhibitors are expected to conform to Wisconsin State Fair participation and exhibition policies. Failure to comply may result in award and prize money forfeiture, dismissal from the grounds, and being barred from immediate and/or future exhibitions. Wisconsin State Fair management reserves the right to interpret and enforce the rules and regulations; split or combine classes; accept or reject any entry entirely, partially, or conditionally.
2. All exhibitors are strongly encouraged to display positive animal care/welfare practices while at the Fair. Wisconsin State Fair management reserves the right to disqualify and/or remove exhibitors/entries deemed by Fair management not presenting positive care/animal welfare practices. Refer to the “General Rules and Regulations” section on wistatefair.com for statements about drug testing/unethical fitting and additional rules and information.
3. Due to animal wellness and safety concerns all animals are restricted to their assigned Barn area. Animals found outside of the designated areas will be immediately disqualified. The department superintendent has the discretion to approve special circumstances.
4. No animals are allowed at the designated Wisconsin State Fair off-site parking lots.
5. No animals other than those entered will be permitted in the barn (**no** newborn young).
6. Pets, whether on a leash or carried or in a container, are not permitted on site during the Fair, unless the pet is part of a Fair event, e.g. K-9 Sports. Service animals are, of course, permitted.
7. Once any animal is checked in at the Fair they shall not be removed from the Fair unless released by the Superintendent or Wisconsin State Fair veterinarian.
8. **Animal Inspection:** All animals may be examined *at any time* while they are on Fair Park grounds by Wisconsin State Fair management or a Wisconsin State Fair veterinarian. Sheep prolapsing, showing symptoms/exhibiting ringworm, fungus or other contagious diseases will be disqualified. Any animal showing evidence of infectious, contagious or communicable diseases shall not be permitted to exhibit and must be removed immediately from the Fair Park. The decision of a Wisconsin State Fair veterinarian regarding the health of an animal and suitability for exhibition is **final** and not subject to appeal.
9. **Animal Treatment:** While on Wisconsin State Fair Park grounds, the Wisconsin State Fair on-site veterinarian must administer all medication.
 - A. The Wisconsin State Fair on-site veterinarian will inspect, treat, and record all information on an official 3-ply Treatment Record Form. There will be no charge for the Wisconsin State Fair Veterinarian to treat an animal. Only medication costs will be charged to exhibitors.
 - B. The Wisconsin State Fair on-site veterinarian trailer is on 5th Street north of the Double Deck Barn. The animal treatment tent for horses and cattle is on 5th Street; the animal treatment tent for goats, sheep, swine, poultry and rabbits is located just north of the Swine and Goat Barn. This is the only area to be used to administer treatments (oral, IM, IV, subcutaneous, and alternative treatments/therapies).
 - C. Exhibitors are not allowed to move animals from the barn to the treatment areas without a Wisconsin State Fair veterinarian present.
 - D. Exhibitors who violate the authorized treatment protocol may be disqualified.
10. For animal welfare, public safety and liability reasons exhibitors may not use space in or around their exhibits to conduct any type of direct contact/petting/feeding or photo opportunities geared toward fairgoers/public.

The breed association original, a breed association duplicate, and emails directly from the breed associations to verify registration will be accepted and checked by Wisconsin State Fair management or authorized breed association representatives.
 - B. **Joint Ownership:** Animals owned jointly by two or more parties may be shown individually or in groups by any of the joint owners but cannot be shown by more than one owner at this show. No firm, farm, herd co-partnership or corporation will be given more than one exhibitor number.
 - C. **Identification:** All animals are subject to a permanent identification and age inspection by representatives of the breed associations, Wisconsin State Fair on-site veterinarian, or Wisconsin State Fair management. Questionable age verification will be determined by Wisconsin State Fair management and that decision is final.
 - D. **Breeder/Exhibitor Definition:** The owner of the dam at the time of service shall be considered the breeder of the animal. Where a herd is registered in the names of different members of a family residing on one farm, and where the herd is one unit, all entries will be considered as exhibits of one breeder.
 - E. **Any Other Breed Division:** Registered animals MUST show in the offered/published breed division. If no breed division exists the animal will be shown in the Any Other Breed Division if offered. Commercial and/or Crossbred animals are not eligible for the Any Other Breed Division (Beef, Dairy Cattle, Sheep, Swine). Animals shown in the Any Other Breed Division must be registered through their national breed association. An animal registered with multiple national breed associations may only be shown in one breed division at the current Fair.
 - F. **Champion Classes:** Only first and second place winners in the respective classes are eligible to compete for champion and reserve champion awards. All first-place animals are required to show in champion classes unless excused by the Superintendent.

- G. **Group Classes:** Only animals entered and shown in individual classes are eligible to compete in group classes. Exhibitors may exhibit only one entry in each group class.

EXHIBITOR VENDING: All exhibitors who wish to sell non-entered merchandise (no services) to Fairgoers and exhibitors from their assigned animal exhibitor space must obtain a vendor permit prior to selling any merchandise. All items sold MUST be pre-approved by Wisconsin State Fair. Permits for vending are \$25 per day. Contact the Agriculture Department at entryoffice@wistatefair.com to purchase a permit. Permits must be purchased at least 30 days prior to the Fair. Exhibitors requesting additional space for selling merchandise will be charged on a scale more in line with commercial Fair vendors ranging from \$60 to \$85 per frontage foot. Violators of this policy will not be allowed to sell merchandise and may be asked to leave the Fair Park.

FEED AND BEDDING SERVICE: Wisconsin State Fair will have limited amounts of feed and bedding for sale. Orders may be placed during the Fair but to ensure availability exhibitors are encouraged to place orders in advance.

Advance Orders: Order forms can be found on wistatefair.com in June. Orders can be mailed or emailed to entryoffice@wistatefair.com after June 15th.

All orders must be paid in full **at the entry office** before receiving an official exhibitor release. Check or credit card payments will be accepted. Checks should be made payable to Wisconsin State Fair. In the event of nonpayment, prize money will be withheld, and future entries will not be accepted until the balance is settled.

Feed and bedding orders will be delivered mornings and evenings during the Fair. Orders placed in the morning will be delivered that evening. Orders placed in the afternoon/evening will be delivered the next morning.

Please plan your needs accordingly.

SHOWRING EXPECTATIONS

1. Animals deemed uncontrollable and unsafe to exhibit will be dismissed from the showring and/or Wisconsin State Fair grounds. Show management retains the right to warn the exhibitor and dismiss any animal deemed unsafe or uncontrollable at any time. No prize money will be awarded if an animal is dismissed.
2. It is the exhibitor's responsibility to have entries ready to enter the showring when show management calls for the class to enter the ring. Animals must enter the show ring when the class is called. The judge, ring steward or show management has the right to determine the deadline for late arrivals and close the class. Any exhibitor who misses his/her class is not a contender for the prize money offered. Classes will not be re-run for any animals missing a class. If an animal misses a class, the animal cannot be put in another class to be judged.
3. All exhibitors are required to wear an official harness or clip to display the assigned (5"x 7") exhibitor number when in the ring. Violators will not be permitted to enter the ring.
4. All exhibitors must be properly dressed while in the show ring.
5. Judges have been carefully selected. All exhibitors making entry for the Fair accept these judges and agree to abide by their decisions. It is prohibited for exhibitors to contact or attempt to contact a judge pertaining to judging of classes after the judge has accepted the assignment of judging at Wisconsin State Fair. No exhibitor should socialize, fraternize, or visit with a judge during the show(s). If any exhibitor, exhibitor's family member, employee, or Volunteer Adult Contact attempts to interfere with the judge in any manner, the exhibitor shall forfeit all prize money awarded and may be excluded from further competition. The decision of the judge will be final in all cases. Judges will not be permitted to show in classes they are judging. Wisconsin State Fair reserves the right to change judges at any time.
6. The decision of the judge will be final in all cases except where mistake, fraud, misrepresentation, or collusion not discovered at the time of the award is proven. The Agriculture Director reserves the right to consult with the Wisconsin State Fair Agriculture Committee on any or all cases.
7. Each animal shall be exhibited to the entire satisfaction of the judges. After a class has started no animal(s) shall be permitted to leave the ring before the entire class has been judged/placed without the approval of the judge. Upon final placing, exhibitors are requested to remain in position in line or parade while the Judge is giving his/her reasons. Any violation of this rule will cause forfeiture of all prize money won by the exhibitor.
8. Regardless of the number of exhibitors competing in a class, the judge may recommend any placing at his or her discretion. Judges will not place unworthy entries.
9. Should a first placed entry be disqualified after winning its class, but before its respective division championship, the second and third place animals will move up to first and second in the class and compete for champion in the

division. If a second-place animal is disqualified, the third-place animal will move up. Should a division animal champion be disqualified after winning its division but before selection of Grand Champion, the reserve division champion will move up to champion and compete for Grand Championship. In this case, no attempt will be made to replace the division reserve champion. If a division reserve champion animal is disqualified, no shifting upward will occur and no attempt to replace the reserve champion will be made.
