## RULES AND REGULATIONS

- 1) All exhibits will receive the best care and protection the surroundings will afford, but they are at all times subject to the owner's risk.
- 2) All exhibitors must have valid admission to enter the Fair Park August 4 – 14. Admission fees do not include vehicle parking! Entries: entries, with the proper fees, must be submitted Wisconsin State Fair prior to June 16th. Entry forms must contain complete information including class number, birthdate, tattoo, name and registration number (unless pending). Any entries without proper information will be returned. See the "Open General Rules and Regulations" section on [www.wistatefair.com](http://www.wistatefair.com) for additional rules.
- 3) All animals must be recorded through a national breed association. The original or a breed association issued duplicate copy of registration is acceptable. Faxes, emails and/or photo copies of registration papers will not be accepted.
- 4) **Tie-outs** are limited to a designated tie-out area and are available for \$5.00 per animal which must be paid with entries on the entry form. Tie-outs will be assigned. Tie-out bedding is not provided. Cattle may not be removed from the barns to go to the tie-out area until 7:00 pm daily and must be removed from the tie-out area by 8:00 am daily. Neck ropes and/or double ties are required to be used in the tie-out area. All bulls over one year of age must have a nose ring or nose lead in when led to and tied in the tie-out areas. Wisconsin State Fair reserves the right to make tie-out adjustments for all cattle not properly tied or equipped at the owner's expense. Failure to abide by tie-out procedures may result in disqualification, withholding of premiums and/or losing eligibility for future shows. No pens will be allowed in the tie out area without prior approval. Cattle placed in the tie-outs are done so at the exhibitor's risk. Wisconsin State Fair assumes no liability for any incidents or actions which may occur in the tie-out area.
- 5) Nose Rings: All bulls one year old or older must have a nose ring or nose lead when out of the stall.
- 6) All open beef exhibitors are required to wear an official harness when leading animals in the ring. Violators will not be permitted to enter the ring. Official harness is defined as a front and back show card harness which receives a 5" x 7" card.
- 7) Wisconsin State Fair reserves the right to combine or break classes at the discretion of the Superintendent. Premiums will be paid to the top 2 entries in each class per exhibitor.
- 8) **Equipment:**
  - A) **Fans:** The use of one (1) fan no larger than 24" in diameter is allowed per animal. No other air movement device is allowed. Fans must be hung from the front wall, on either side of the animal. All fans must conform to the manufacturer's recommendations and Wisconsin State Fair safety regulations. No butt fans allowed.
  - B) **Generators:** The use of portable power sources is permitted during show hours only. Generators must be kept outside the barns. When not in use generators must be kept in designated locations on the Fairgrounds.
  - C) **Extension Cords:** All cords must meet Wisconsin State Fair and manufacturer's recommendations for safety. No cords are permitted to be in the aisles or in public areas both above and on the surface without being properly secured. Wisconsin State Fair Management retains the authority to determine what is acceptable.
  - D) **Grooming Chutes:** Exhibitors using grooming chutes must store them out of the public walkways. Chutes **MUST** be placed in tack areas or other designated areas outside of the barn when not in use for fitting. Chutes are only allowed in the barn aisles 60 minutes before, during and 30 minutes after the shows.
  - E) **Livestock Scales:** No livestock scales except the official Wisconsin State Fair scales are allowed on the Fair Park grounds. Exhibitors using an unofficial scale will be disqualified from participation and/or placing and premiums in the shows will be forfeited.
  - F) **Stalling Equipment:** The use of stall dividers for the purpose of separating cattle and designating tack areas is permitted. No equipment is approved for use behind the animals or in the aisles.
  - G) **Tack:** Show boxes, feed, bedding and other show equipment which is used for the care of livestock must be kept neatly in the designated area and out of the public aisles. It is important to keep all livestock and livestock housing areas orderly and safe to demonstrate a positive image of animal agriculture to the public.

### PREMIER EXHIBITOR

A plaque will be awarded in each breed show to the exhibitor accumulating the most points in individual classes, not to exceed 6 animals owned and exhibited by the exhibitor. **Andis Co Inc.** will present a cattle clipper to the high-point earning individual in each breed show.

### PREMIER BREEDER

Awards will be presented in each breed to an exhibitor who will be recognized as the Premier Breeder of the respective show. The award will be based on the following criteria:

- ~Points will be earned in individual class placings.
- ~The top six head at the show from the breeder will be used.
- ~The owner of the dam at the time of service shall be considered the breeder. If the animal is co-owned the name listed on the registration paper as the breeder will be the only names considered as the breeder.
- ~Animals bred by a bona fide firm, co-partnership or corporation shall be considered as bred by the firm, co-partnership or corporation.
- ~Family members of a respective farm will be considered as one breeder.

**ANGUS  
DIVISION 1**

**PARTICIPATION STATEMENT  
AMERICAN ANGUS ASSOCIATION**

The American Angus Association, 3201 Frederick Avenue, St. Joseph, Missouri, will provide funds toward the premiums offered for the Open Angus Breeding Cattle classes based on the number of registered Angus head shown. A minimum of 50 head must be shown in the Open Show to receive funds from the American Angus Association the following year. The American Angus Association's funds are not to be used to pay show expenses or championship and group classes (i.e. Get of Sire, Junior Get of Sire or Breeder Six Head).

Exhibitors must have the original registration certificate on each animal available for inspection at the show. **Electronically stored registration certificates are NOT accepted - only the original certificates issued by the American Angus Association are accepted.** Any animal, upon check-in, which does not have a legible permanent identification mark (ear tattoo marks, freeze-branded marks or hot-branded marks) corresponding to the permanent identification mark on the registration certificate, is ineligible to show. Once disqualified due to an incorrect or illegible permanent identification mark, animals cannot be re-tattooed and re-checked at the show.

Any female shown with calf at side: the calf must be the cow's most recent natural calf and the calf must be registered by show date and have the original registration certificate at check in.

Only one person time shall lead animals into the show ring.

*Exhibitors who participate in shows that accept premium monies contributed by the American Angus Association are subject to the Association Rules as found in the Breeders Reference Guide of the Association. These rules are found in Part 2: Association Rules. The rules relating directly with the exhibition of Angus cattle are Part 2: Association Rules; Rule 800 Series; including Rule 800 - 811. These rules can be found at [www.angus.org](http://www.angus.org).*

Any product administered internally or used externally to alter the conformation and/or appearance of an animal for exhibition is prohibited. This includes the covering of white skin, false tail heads (or use of any false hair), use of graphite, powders, hemp or other similar substances externally, and steroids, growth stimulants, or artificial filling internally. Any animal found to be in violation will be barred from showing. The exhibition of cattle displaying false hair will not be allowed, with the exception of false tail switches.

At any show for which the American Angus Association appropriates funds toward the payment of premiums, no exhibitors, individuals assisting exhibitors, or member owners at such show shall be allowed to use any coloring agents on any animal exhibited. The Association may adopt and implement various tests designed to monitor this prohibition, including but not limited to a "white towel" or "white glove" test. No aerosol cans or other pressurized containers will be allowed in designated make up areas.

All animals exhibited are subject to a DNA marker or blood type test to verify accuracy of parentage as covered under the Association Rules and for other testing as required by the individual show.

Authorized representatives of the Association have the authority to enforce the rules set forth herein as well as in the Association Rules, including the barring of a registered animal from a livestock show at which it is to be shown, if there are reasonable grounds to believe a violation has occurred.

**SIMMENTAL  
DIVISION 6  
FUTURITY RULES**

The Wisconsin Simmental Association considers the 3 year futurity program a realistic way of identifying superior cows who breed on time, wean a large calf each year while exhibiting functional conformation and profitability.

- 1) All animals must be purebred and have a legible tattoo which matches the original registration paper from the American Simmental Association. Original papers (no copies) must be presented at check-in.
- 2) To qualify as a two year old cow for the futurity program in 2011, the heifer must have been shown at the Wisconsin State Fair the previous year; a three year old cow must have been shown in the two year old futurity class; and a four year old or older must have been shown as a three year old or in the four year old or older class the previous year. Additionally, each cow must comply with calving interval requirements.
- 3) Entries will be placed as follows: 60% economic performance and 40% conformation.
- 4) Show order will be determined by age of the cow. The calf must be the cow's current natural bull or heifer calf. Birth dates of calves will be mandatory from the owner's herd book.

**Class**
