5) **Animal Care and Exhibitor Safety:**

- All exhibitors are strongly encouraged to display positive animal welfare practices while at the Fair. Wisconsin State Fair management reserves the right to disqualify and/or remove exhibitors/entries deemed by Fair management not presenting positive animal welfare practices. Refer to the “General Rules and Regulations” section on www.wisstatefair.com for statements about drug testing/unethical fitting and additional rules and information.
- Animals and aisles must be kept accessible to the public while the barn is open or as designated by the Superintendent. All waste, feed, manure, and trash should be disposed of properly.
- All pets whether on a leash, carried or in a container, are not permitted on site during the Fair, unless the pet is part of a Fair event, e.g. K-9 Sports. Service animals are, of course, permitted.
- No animals other than those entered will be permitted in the barn.
- Due to animal wellness and safety concerns all rabbits are restricted to the designated Poultry and Rabbit Palace. Animals found outside of the designated area will be immediately disqualified. The Department Superintendent has the discretion to approve special circumstances.
- **Health Requirements:** All rabbits must meet current Wisconsin Animal Health guidelines for exhibition.
- **Animal Health:** Rabbits showing any evidence of disease may not be exhibited. All rabbits exhibited may be subject to quarantine or harvest if any contagious or infectious disease is discovered among any of the rabbits in the exhibit. If, at any time, any rabbit shows evidence of a contagious or infectious disease, it shall be **removed immediately** from the exhibit, quarantined, or harvested as directed by the Wisconsin State Fair Veterinarian or the Wisconsin Department of Agriculture, Trade and Consumer Protection Representative. Owners must plan to pick up their rabbit(s) within 8 hours of notice or rabbit(s) will be disposed of at the Superintendent’s discretion.
- **Animal Treatment:** While on the Wisconsin State Fair Park grounds, the Wisconsin State Fair On-site Veterinarian must administer all medication. The On-site Veterinarian will inspect, treat, and record all information on an official 3-ply Treatment Record Form. There will be no charge for the Wisconsin State Fair Veterinarian to treat an animal. Only medication costs will be charged to exhibitors. The Animal Treatment Tent and On-site Veterinarian trailer is located on 5th Street north of the Double Deck Barn. This is the only area to be used to administer treatments (oral, IM, IV, subcutaneous). Exhibitors who violate the authorized treatment protocol may be disqualified.
- For public safety and liability reasons exhibitors may not use space in or around their exhibits to conduct any type of direct contact/petting or photo opportunities geared toward Fairgoers/public.
- No animals are allowed at the designated Wisconsin State Fair off-site parking lots.
- Animals deemed uncontrollable and unsafe to exhibit will be dismissed from the show ring and/or Wisconsin State Fair Park grounds. Show Management retains the right to warn the exhibitor and dismiss any animal deemed unsafe or uncontrollable at any time. No prize money will be awarded if an animal is dismissed.
- Exhibitors are expected to feed, water, and run their own animals to the judges table while at the Fair. Wisconsin State Fair staff may be available to feed and water rabbits if arrangements are made in advance with the Superintendent. Rabbits MUST have access to fresh water at all times.
- No rabbit shall be removed from exhibit until released by the Superintendent or a Wisconsin State Fair Veterinarian. Any violation of this rule may result in loss of all prize money.

6) **Equipment:**

- **Extension Cords:** All cords must meet Wisconsin State Fair and manufacturer’s recommendations for safety. No cords will be permitted in the aisles or in public areas (above or on a surface) without being properly secured. Wisconsin State Fair Management retains the authority to determine what is acceptable.

- **Grooming Stands:** Exhibitors using grooming stands must store them out of the public walkways. Stands **MUST** be placed in tack areas or other designated areas when not in use. All grooming tables, rabbit carriers, etc. must be stored backstage after judging or forfeit any prize money awarded during the show.
- **Tack:** Show boxes, feed, bedding, and other show equipment which is used for the care of the livestock must be kept neatly in the designated area and out of the public aisles. It is important to keep all livestock and livestock housing areas orderly and safe to demonstrate a positive image of animal agriculture to the public.
- **Carriers:** exhibitors are required to remove their carriers after caging their entries.

7) **Class Eligibility:**

- Rabbits must be owned and entered by the owner(s) only. **DO NOT** enter in fur or champion classes. Eligible entries will be considered for those classes at the judge's discretion. Wisconsin State Fair Management reserves the right to inspect pedigrees or other titles of ownership.
- All animals are subject to a permanent identification by a tattoo in the left ear and age inspection by the Wisconsin State Fair Veterinarian or Wisconsin State Fair Management. Questionable tattoo and age verification discrepancies may result in disqualification by Wisconsin State Fair Management and that decision is final.

8) **Judging:**

- Only judges and staff are allowed in the judging ring while judging activities are in progress
- Exhibitors must show their own animals unless the Superintendent has granted prior approval. Approval may be considered for the following reasons: multiple animals in the same class, multiple animals in the show ring at the same time in different species, serious injury, or hardship. A form to request approval for another active (checked in and actively showing within the department) Wisconsin State Fair exhibitor to show the exhibition animal may be obtained from the Superintendent's office and must be submitted to the department Superintendent prior to the start of the show.
