In the event of conflict between the general rules and the special rules governing the various departments, the special rules will govern.

The following due process will be used in the questions of rule violation: The exhibitor and/or parties involved will be questioned by the Department Superintendent. If it is felt that a violation has occurred, the Department Superintendent will make a ruling. The ruling of the Department Superintendent will be final.

2. Protests against the exhibition of articles or person entering must be filed at least 12 hours before the awards are made. The exhibitor will then be disqualified from entering the Wisconsin State Fair for the following two years if they violate any general or special rules which govern the exhibits.
3. Protest against awards must be filed with the superintendent within 5 hours after the award has been made. An award is deemed to have been made when the notation of the decision is entered on the official judging sheets. The protest must state plainly and specifically the facts upon which the complaint of appeal is based. The right to appeal will lie when it is charged that the award has been made in violation of the rules governing the exhibit. No protest or appeal based upon the statement that the judge or judges are incompetent or have overlooked an article will be considered.
4. All protests will be considered at a time set by the Director of Competitive Exhibits. Parties involved and if necessary, persons as designated by the Director of Competitive Exhibits will be notified and given the opportunity to submit evidence before a final decision is made. All decisions are final and not subject to appeal.

Liability insurance to comply with indemnity provisions is required. Presentation of an exhibitors' receipt shall be deemed acceptance of this provision.
