

2018 Wisconsin State Fair

Agriculture Internship Opportunities

Currently accepting applications!

Wisconsin State Fair is the premier event of Wisconsin's summer tourism season. It is by far the state's largest showcase for promoting Wisconsin Agriculture and rural life to its urban constituents.

Wisconsin State Fair offers a variety of Agriculture Internship/work experience opportunities annually which provide valuable experiences. Internship opportunities can be flexible, and may potentially meet academic requirements for credits. Interns can expect to experience event management, public relations and agriculture messaging while working in a fast-paced and ever-changing environment.

The annual Wisconsin State Fair is located in West Allis, a suburb of Milwaukee. Internship experiences prior to the Fair require employees to secure their own lodging. Lodging and meals in the Tommy G. Thompson Youth Center are available for the two weeks of the event.
