Entry Information

Entry Requirements

Bottle Requirements:

1. Each bottle must be 10 to 16 ounces in volume, brown or green glass, and must be free of all labels. (Use of brown bottles is encouraged as it better protects your beer from light than green glass.) Raised lettering on the bottle is acceptable, but not encouraged.
2. Only standard beer closures (crown caps and porcelain flip-tops) are accepted. All markings on the caps must be obliterated with a permanent black marker. Corked bottles will only be accepted with a crimped crown cap over the cork.
3. Bottles not meeting these requirements may be disqualified.

Number of Bottles Required per Entry:

Ship two (2) bottles for each beer or mead/cider entry. These will cover both the first and second judgments.

Entry Fees

Each entry (consisting of the two bottles) has a fee of \$15.00.

Entry Limitations

1. Anyone of legal age and status may enter this competition – this event is open to all and not restricted to Wisconsin residents.
2. More than one entry may be made per category; however, each entry must be from either different fermentations or of different ingredients.
3. Your homebrew may not have been brewed at any place that brews beverages for any commercial purpose, whether for commercial research, production or any other purpose, including brew-on-premise establishments.

Entry Deadlines

Online entries close at 7 pm (CST) on Wednesday, February 19, 2025.

Enter online at: entry.wistatefair.com

Each entrant **must** complete an IRS W-9 form. Entry forms without complete W-9 information will be returned. W-9's are completed automatically for online entrants. These forms will be stored separately from the entry information and will not be used during judging.

Which Category to Enter your Beer

The Wisconsin State Fair Homebrew Competition uses the BJCP (Beer Judge Certification Program) 2021 Style Guide to Beer Styles for use in this competition. The Wisconsin State Fair Competition will accept beer, meads and ciders in BJCP categories. See *Amateur Homebrew Competition – BJCP Categories* for a listing of all allowable BJCP categories on pages 9 through 13. Of these categories, it is entirely your decision as to which category to enter your beer. You should try to enter your brew in the category and subcategory where you feel it will perform best. Judges do not see your entry form, and **judges will not categorize or re-categorize your entry**. Judges will use the BJCP guidelines to judge how well your entry fits its category and subcategory; points could be lost if a beer is not entered in the appropriate category. A downloadable version of the complete BJCP style descriptions is available at www.bjcp.org.

It is the entrant's responsibility to add required information per BJCP guidelines where necessary. Some meads, ciders, beers need additional info as to color, strength, carbonation, etc. If you are not sure, please check your entry category in the BJCP guidelines to avoid being disqualified. Add this information in the comments or additional information section when entering online.

Packaging, Shipping & Drop-Off

Labeling Instructions

1. For each entry, complete bottle ID form on page 14. Up to six (6) entries can be made with one entry form.
2. Rubber band the bottle ID form to each bottle. **Please do NOT tape the bottle ID form to the bottle or enclose in plastic.**
3. If you are going to ship your entries, pack your bottles carefully (see “Packaging”), and ship them to the addresses shown in the section “Shipping & Drop-Off Locations.” Sites cannot acknowledge receipt of entries – please arrange for a return receipt with your shipping company if you wish to confirm delivery of your package. Packages with postage due or C.O.D. charges will be returned to sender. **Do not ship your entries via the U.S. Postal Service!!**

Packaging:

1. Carefully pack your entries in a sturdy box. Line the inside of your carton with a plastic trash bag. Partition and pack each bottle with adequate packaging material. Please refrain from using ‘messy’ packaging materials such as Styrofoam ‘peanuts’ or pellets; use packaging material such as bubble wrap. Do not over pack! Write clearly: “Fragile. This Side Up.” on the package. Your package should weigh less than 25 pounds.
2. Every reasonable effort will be made to contact entrants whose bottles have broken to make arrangements for sending replacement bottles.
3. It is not against any Bureau of Alcohol, Tobacco and Firearms (ATF) regulation or federal law to ship your entries via *privately* owned shipping company for analytical purposes. However, **it is illegal to ship alcoholic beverages via the U.S. Postal Service.** Private shipping companies have the right to refuse your shipment if they are informed that the package contains glass and/or alcoholic beverages. Entrants can identify package contents as “Wisconsin State Fair Exhibit.” It is solely the entrant’s responsibility to follow all applicable laws and regulations.

Instructions for Completing Entry Form

1. *Go online at: entry.wistatefair.com*
2. *Entry Information: **Special Requirements** - Please read carefully and include the following required information. Failure to include this information could cause disqualification of the entry from the competition.*

Please include **full name** and **number of the BJCP category** and **sub-category** that each beer is to be entered in. Judges will not categorize or re-categorize your entry under any circumstances.

For categories 21B-C, 23F, 27, 28, 29, 30, 31, 32, 33, & 34, list all special ingredients used. Also, list the **base style of beer** as well. An example may be a Cherry Wheat beer entered under the 'Fruit Beer category 29A'. If this beer is based on a classic style (E.G., GERMAN WEISSBIER 10A) then the specific style must be specified. Classic styles do not have to be cited (e.g., "Wheat ale" is acceptable). The type of fruit(s) and/or special ingredient(s) must **always** be specified. Any entries missing such information may result in a loss of points. The judges need to know what you are attempting.

Remember, beers with **unusual ingredients belong in categories 21B, 23F, 27, 28, 29, 30, 31, 32, 33, 34.** If your beer contains something unusual for a particular style, then it doesn't belong in that style; it belongs in either **21B, 23F, 27, 28, 29, 30, 31, 32, 33, 34.** All other categories **only** need the BJCP category and sub-category. Consult the BJCP Guidelines – There is extensive information about submitting these categories in the Guidelines. Entries not conforming to 2021 BJCP Style Guidelines may be subject to disqualification.

All Meads & Ciders (M and C categories) must state the Sweetness (dry, semi-sweet, or sweet), Carbonation (still, pétillant, or sparkling) and Strength (hydromel, standard, or sack) unless the Style Guidelines state otherwise. Refer to the Style Guidelines for further information on these designations.

3. *Entry/Recipe Form Section C: Bottle ID Forms*

Fill out a Bottle ID Form for each bottle entered and attach to the bottle with a rubber band.
